SCANGRIP FLASH 600R RECHARGEABLE TORCH

The FLASH 600R is very sturdy and of extraordinary high quality designed for the professional user. With significantly improved light output, a compact design and even more functionality, the flashlight is a true sidekick throughout the work day.

The flashlight features a magnetic on/off switch with boost mode that enables you to increase the light output from 300 to 600 lumen. Hold down the on/off switch for two seconds to activate boost mode. The flashlight automatically turns to NORMAL mode after 60 seconds.

Sturdy and powerful 600 lumen flashlight with boost mode
